The unavoidable delay in getting out the Year Book has made it necessary to combine the December and January numbers of Service. We have made an effort to serve you with a most interesting number in this combined issue. The Staff wishes to thank you for your patience in helping us to meet the many difficulties that beset a new publication and to assist us further in securing new subscribers, advertising, and material for publication. And, while you are still at attention, allow us to wish you, Dear Reader, a Merry Xmas and a Happy-Prosperous New Year.
